

Popular Corporate Recognition Awards

Organizations use recognition programs to increase employee morale and to retain top employees. There are also several other types of corporate recognition programs that organizations can develop to help employees feel appreciated for their work, including:

- Years of Service Awards
- Best Suggestion Award
- Attendance Awards
- Special Achievements
- Leadership

Organizations can be as creative as they wish with a recognition program, as long as it achieves the established goal. Below are several of the most popular awards that organizations use in their corporate recognition programs.
